- > You will only see work that is available for the times that you have set. Be sure to read the job details for exact start and finish times.
- > We ask that you only set times that you are realistically available to work.

## offered jobs

On the home screen you'll see 2 tabs: 'Offered' and Upcoming

- > The 'Offered' tab shows a list of available jobs in the times that you have selected. Click in for further details about location, the role, rate of pay and special requirements.
- > If you're 100% sure you'd like to take the job, click 'Accept'. Your accepted job will now show in the 'Upcoming' tab.
- > If you're not available to work on the job, please click 'Not this time'.

### upcoming jobs tab and check-in

The jobs you've accepted to work on will be listed in the '**Upcoming**' tab.

3. When the job is over, check-out to end your shift.

### if you need to cancel...

- > If you need to cancel, do so ASAP on the page with the shift details.

### if we need to cancel...
